TCI Foundation an autonomous organization works in the development and implementation of national development programs/projects in coordination with the Government, Public Sector Undertakings, National and International development agencies to serve the nation with motto of equality and better life for all citizens in the country.

### Global Fund Support for Intensified Malaria Elimination Project (IMEP-2)

TCI Foundation is one of the Principal Recipients of Global Fund Grant for the period 2021 to 2024 and has been assigned the responsibility to work in unison with National Centre for Vector Borne Diseases Control (NCVBDC) Ministry of Health & Family Welfare (MoHFW) Government of India for Intensified Malaria Elimination Project (IMEP-2).

### Job Description:

TCI Foundation invites applications for the position of **National Consultant (Entomology)** purely on contractual basis. The selected candidate on this position would be required to maintain good liaison with the authorities and officials of NCVBDC, State VBDC, District VBDC, internal and external agencies for the progression and completion of program activities within the given timeframe.

#### (i) Purpose:

Technically support the NCVBDC for effective implementation of GFATM supported Intensified Malaria Elimination Project (IMEP-2) in various States at different levels (National/ State/ District/ Sub-district). The position, based at Dte. NVBDCP, would play a critical role in evidence-based decision making at various levels to bring efficiency and effectiveness in the Programme and in bridging the gaps between planning and implementation.

#### (ii) Job Responsibilities:

- Monitor the epidemiological and entomological situation in the States/ UTs/ Districts and support/ supervise various components of programme planning and implementation w.r.t malaria, vector control interventions including entomological surveillance.
- Monitor, supervise and facilitate the State/ District VBDC for selection and establishment of representative sentinel sites for entomological surveillance and creation/ strengthening capacity for regular entomological surveillance and response.
- Develop/ customize training guidelines/ modules for entomological surveillance & response and vector control/ management, and to undertake/ support trainings for Entomologists, Medical Officers, and other healthcare staff on various aspects of vector control such as entomological surveillance; field entomology work; maintenance of field insectaries; conducting bioassays; vector susceptibility and insecticide resistance monitoring; vector control monitoring & evaluation.
- Work in close collaboration with NCVBDC Officers/ other Consultants at various levels for carrying out entomological surveillance in the States/districts to ensure quality implementation of the project/programme.
- Supervise, facilitate, and support the State Consultants-Entomology and other officials in consolidating monthly/quarterly/annual reports/ data on regular basis, and ensure corrective actions based on analysis of reports.

- Establish and supervise a functional multi-disciplinary coordination mechanism for Integrated Vector Management (IVM) and advocate for vector control interventions among key stakeholders.
- Supervise and monitor human resource at various levels, analyse their monthly activity reports and provide feedbacks to them.
- Ensure consolidation and dissemination of approved annual work plans to State/ District VBDC and prepare timely progress reports based on results framework.
- Liaison with the National Informatics Centre (NIC), Integrated Disease Surveillance Programme (IDSP) and other National health programmes on implementation of strategies on surveillance, monitoring & evaluation etc.
- Undertake field visits in States/ UTs/ Districts (at least 10 days a month) for entomological surveillance, mapping and monitoring vector density, bionomics and sensitivity of insecticides; and to monitor/ evaluate the timeliness and quality of vector control measures.
- Participate in planning and organization of review meetings at National and Sub-national levels.
- Undertake any other task assigned by the Reporting authority.

**(iii) Qualification and Experience:**

Ph. D/ M.Sc. in Medical/ Public health Entomology/ Zoology (with entomology as one of the subjects) with minimum 5 years' experience of implementing vector borne disease control strategies at National or State level.

**(iv) Skills:**

- Experience in VBD, health programme implementation, monitoring, and training.
- Field experience on malaria vector surveillance and monitoring & evaluation.

**(v) Nature of appointment:** The appointment will be on contract basis initially for a period of one year and thereafter extendable for specified period on the basis of performance appraisal to be assessed for work output, personal attributes, functional competency etc.

**(vi) Reporting:** Reporting will be to Nodal Officer GFATM at NCVBDC under the overall supervision of Director NCVBDC.

**(vii) Age Limit:** Upper age limit is 55 years may be relaxed in exceptionally qualified/ experienced candidates; and ready to travel extensively.

**(viii) Remuneration and Annual Increment:** Up to Rs. 100,000/- per month (consolidated). Remuneration would depend on qualification, experience & performance during written test/ interview. Annual increment would be based on performance appraisal and as per Global Fund policy.

**(ix) Posting Place:** National Centre for Vector Borne Diseases Control (NCVBDC) Ministry of Health & Family Welfare (MoHFW) at Delhi.

**(x) Deliverables:** Submit a Monthly Activity Report and Annual Report to Reporting Officer in NCVBDC. Performance appraisal would include review of monthly activity reports, field visits, timely completion of activities and innovations done and annual assessment.

**(xi) Selection:** Selection and appointment shall be carried out through advertisement followed by walk-in written test/ virtual or in person interview, if short listed.

**(xii) Service Tenure:**

The candidate would be required to serve the organization till 31<sup>st</sup> March 2024 provided there is no termination of services by the organization.

**(xiii) Equal Opportunities:** TCI Foundation is an equal opportunity employer. Employment at TCI Foundation is based solely on individual's merit and qualifications directly related to professional competence. TCI Foundation does not discriminate against any employee or applicant because of race, caste, creed, colour, religion, gender, origin, disability, marital status, or any other basis protected by law.
